# LAZY MOES RESTAURANTS

## WHO IS MOE ?

I am the creation of a man by the name of Michael Guida, born 1967 in Kyabram, Victoria. Educated at Broady West Tech and kindly asked to leave at age 14, Michael then began his apprenticeship in panel beating.

Ironically, Michael does not have a lazy bone in his body. At age 17 he opened what would be the first of many many businesses. First up was N & M Panel Works in East Keilor. From there he hung up his panel beating tools and ventured into the long and prosperous life of hospitality. Always an ideas man (with his Thursday trading post paper!), he was the first to bring dial a pizza to the northwest. In 1987 Leo's Dial a Pizza located in Tullamarine was opened. Once he met Mrs Moe (the love of his life Lucy) in 1986, together they would open pizza and pasta shops for the next 11 years.

Pasta by Florentine (Tullamarine and Moonee Ponds), Spagz (Broady), Carlitos (Nth Balwyn) Woggies (back to Broady!) just to name a few. Finally in 1999 Michael and Lucy realised their dream and opened the iconic Smoken Joes Café in Moonee Ponds. The day those doors opened, the Melbourne restaurant scene was introduced to a new type of dining experience, with enormous servings and fun-loving service along with a tongue in cheek sense of humour.

In 2003 I was born, and my first store was opened in Tullamarine. With the hard work and commitment of a family (Michael Lucy and their 2 children Grazia and Frankie) an iconic restaurant chain was founded. Now 20 years on Lazy Moes has expanded across Melbourne and regional Victoria.

You can find Lazy Moes in Tullamarine, Melton, Caroline Springs, Oakleigh, Bendigo, Ballarat, Shepparton, Mildura, Geelong and one day maybe in your suburb or state next!!

To all our customers, new and old...  
we are so humbled by your love for our restaurants.  
Thank you for your continued support.

With love Moe!  
And remember behind every great Moe is a greater Moette.
